REMARKS

This amendment is submitted in a format wherein it is assumed that the amendment filed April 29, 2004 in connection with the RCE was already entered.

In this amendment, the reference to the fact that the first proxy server register the request in a logfile of all web sites requested by a user has been deleted from independent claims 1, 5, 7, 11, 31, 36, 41 and 46 and placed into new dependent claims 51-58.

In addition, regarding the limitation that the first proxy server is programmed to "check the identity of a requesting client and of a requested URL against the friendly inbound, friendly outbound, unfriendly inbound or unfriendly outbound list maintained by the administrative module and then either approve the request" recited regarding the first proxy server, the word "and" has been changed to "and/or" in independent claims 1, 5, 7, 11, 31 and 36.

Since all of the foregoing amendments are understood to place the application in condition for allowance, their entry is submitted to be appropriate and is respectfully requested. It is respectfully submitted that claims 1-58 are in condition for allowance and it is requested that they be allowed.

Payment of $200 for the 8 new dependent claims (51-58) is provided through a credit card authorization form accompanying this amendment.

Dated: March 30, 2005   Respectfully submitted,
